Churchill provides advisory, consulting, implementation, and coaching services to SMEs, Corporates, and Private Equity firms across a diverse range of industries.

As a management advisory, we help customers grow and succeed in a rapidly changing world. Helping people and companies thrive by designing, optimising, re-engineering, and automating businesses and processes.

In addition to being a Chartered Accountant CA(SA), Johan holds multiple other professional qualifications as an ACMA (UK), CGMA (USA), and as a business- and executive coach.

Johan has 25 years of experience serving in senior leadership roles, executive teams and as a board member in several blue-chip firms. By virtue of his experience and acumen, he understands the challenges leaders face and what it takes to manage a successful business.

His unique combination of skills in finance, strategy, marketing, operations, procurement and IT discerns Johan as an experienced executive in the banking, insurance, asset management, retail and advertising industries.

Combined with his business acumen, can-do attitude, and entrepreneurial mindset, this unique skill-set, sets him apart. As a result, he has a broader yet deeper view of business, and is comfortable in the detail, connecting the dots, identifying the drivers, as well as developing strategies and pragmatic solutions that improve, optimise, automate, digitalise businesses, their operations and processes.
